Dear Friends of Solomon,

We are writing today to share an exciting opportunity for our school. Ohio has passed a new initiative that will benefit our school and its students through a Tax Credit Scholarship Program. Through our Solomon Scholarship Granting Organization (SGO), gracious givers can receive a 100% tax credit against their Ohio income tax liability for gifts up to \$750. What a wonderful opportunity to support our students at no net cost to donors! To learn more about the Lutheran Scholarship Granting Organization and the tax saving opportunity visit the LSGO of Ohio website at: <https://www.clhsa.org/lsgo>.

Solomon students will be eligible to receive a scholarship from our newly-formed Solomon SGO fund. This fund is being managed through The Lutheran SGO of Ohio, and contributions can be designated specifically to scholarships for students at our school! All undesignated contributions will be awarded across a pool of Lutheran schools in Ohio.

This program does not affect any student's ability to receive other scholarships or tuition assistance. Contributions to the Solomon SGO fund will only be awarded to students who apply. All students are eligible to apply, with priority given to applicants below the 300% poverty level (currently \$79,500 for a family of 4).

Your gift can be made online at: <https://www.clhsa.org/lsgo>. If you wish to mail a check, make checks payable to the LSGO of Ohio and send to 3870 Linden Road, Rocky River, Ohio 44116. Please be sure to include in the memo line: Solomon Lutheran School. Thank you for your consideration and your prayerful support of Solomon Lutheran Church and School.

God Bless,

Solomon Lutheran Christian Day School Committee
